

Import Maple Specifications

Product Information

We source our rotary cut White Maple plywood from both Vietnam and Indonesia. This import maple has a Falcata and Acacia core, and because of its hardness and grain consistency, this wood provides a very smooth working surface for painting.

Applications

The natural grain pattern of Maple is more subtle than many other hardwoods, making it a popular choice for fine furniture, as well as more pedestrian uses including cabinetry, drawers and drawer bottoms, school desks, sports goods, paneling, and decorative veneer.

Origin	Species	Finish	Size	Grade	Core
Vietnam, Indonesia	White Maple	Raw, Prefinish	4'x8'	B2, B4, C2, C3	Falcata & Acacia

Veneer Cut	Veneer Thickness	Surface Sanding	Glue Type	Moisture Content
Rotary Cut (R/C), WPF	0.3mm	240 - 320 grit finish	Interior, TSCA Title VI / EPA (Carb)	<12%

Thickness	# of Plies	Thickness Variation	Sheets Per Crate
5.2mm	5	4.8mm-5.2mm	180
12mm	9	11.5mm-12.3mm	78
18mm	13	17.5mm-18.3mm	52

Based on availability, USply reserves the right to substitute product that may vary in species, core, country of origin, and/or other specifications.
