

Drawer Sides Specifications

Product Information

Our pre-finished birch plywood drawer sides are sourced from both Russia and Asia. Russian Birch drawer sides feature a face, back, and core made from 100% Baltic Birch, while Asian-sourced drawers sides have either an Acacia and Eucalyptus core or a Falcata and Rubberwood core. All products are edge-banded on one side, grooved, coated on both sides, and are available in 8' lengths.

Applications

Designed to save time, increase efficiency, and decrease machine, labor and finishing costs, these ready-made drawer sides ensure thickness consistency for quality drawer construction. Just cut to size for fast drawer assembly. Specialty sizes may also be available upon request.

Origin	Species	Finish	Size	Length	Thickness
Russia	White Birch	Prefinish	4", 6", 8", 10"	8'	12mm

Grade	Pieces per Box	Groove Size	Glue Type	Moisture Content
BB/BB	20 (4" and 6"), 10 (8" and 10")	5.75mm	Exterior, Phenolic, TSCA Title VI / EPA (Carb)	<12%

Origin	Species	Finish	Size	Length	Thickness
Asia	White Birch	Prefinish	4", 6", 8", 10"	8'	12mm

Grade	Pieces per Box	Groove Size	Glue Type	Moisture Content
C2	20 (4" and 6"), 10 (8" and 10")	5.75mm	Interior, TSCA Title VI / EPA (Carb)	<12%
